Tips for Living, Laughing and Loving Your Apartment Life

*Apartment Buzz Alert June*

## Maintenance Corner

### Dishwasher tips and tricks

Use your dishwasher regularly. If you smell a bad odor, run a cup of white vinegar and dishwasher detergent through for an entire cycle.

Scrape dishes off before putting them in the dishwasher. It's not necessary to rinse, we want to save water! Load the dirtiest items in the lower basket.

Choose the correct wash cycle. Shorter is not necessarily better.

Be careful! Don't overload or improperly load your dishwasher. Water and soap must flow freely over and between items so you get the best wash!

Let your dishes air dry, either by using the automatic switch or turning the dishwasher off after final rinse and opening the door slightly.

## Community Fun

### Grove City's Farmer Market

Now open until September 14th. The market runs Saturdays from 8 a.m. to noon. Here is a list of reasons why YOU should support your local farmers market!

#### 1. Taste Real Flavors

The fruits and vegetables you buy at the farmers market are the freshest and tastiest available. Fruits are allowed to ripen fully in the field and are brought directly to you! There's no long-distance shipping or waiting on the ripening process.

#### 2. Enjoy what's in Season

The food you buy at the farmers market is always going to be seasonal. It is fresh and delicious and reflects the truest flavors. Shopping and cooking from the farmers market help you to reconnect with the cycles of nature in our great region! Maybe you'll try something new.

#### 3. Support Family Farmers and the Community

Family farmers need your support because of large businesses dominating food production in the U.S. Buying directly from farmers gives them a better return for their produce and gives them a fighting chance in today's economy. While shopping, you'll get to meet other's in the community and have a great opportunity to connect.

## SEASONAL RECIPE

#### Ingredients

6 ears corn, husked and cleaned

3 large tomatoes, diced

1 large onion, diced

1/4 cup chopped fresh basil

1/4 cup olive oil
