4 Must Haves for a Football Party in Your Apartment

The arrival of fall brings crunchy leaves, cooler temperatures and...football season! Want to invite some friends over to watch the next game? Here are four must-haves for a successful football party in your apartment.

- **TV:** You can't watch the game without a TV. The larger the screen, the better!
- **Food and Drinks:** Make sure you have plenty of food and drinks to go around. One idea is to have everyone bring a snack, drink, side or dessert to supplement the food and drinks you're already supplying.
- **Seating:** In addition to your couch, place extra chairs and stools around your apartment with a visible view of the TV. Borrow some chairs from your neighbors or friends if you're short.
- **Friendly Competition:** Ask the folks you invite to show their spirit by wearing their favorite team's colors.

Now, sit back, relax and enjoy the game!

Mix butter, cinnamon, and salt together in a bowl.
Place pumpkin seeds in a large bowl and pour butter mixture over seeds; toss to evenly coat. Spread coated seeds in a single layer onto a baking sheet.

Furnance Tip

It's that time of year again. A/Cs will be going off and heaters will be turned on! Just remember when the furnace is turned on for the first time, the dust burns off and releases an odor. It is normal for dust to burn off when the heater is turned on for the first time in the winter season and not a cause for concern. This smell should disappear in a few hours. Opening windows help!
